

The World's Most Trusted Pool Finishes®

Pebble 
Technology®
INTERNATIONAL

A reputation for beauty, durability and support

Since 1987, Pebble Technology International has been a driving force in the transformation of the pool building and remodeling industry. PebbleTec maintains its leading position with an unwavering dedication to product beauty and durability, as well as outstanding customer support.* We work only with select builders and PebbleTec Authorized Applicators, and we never compromise on quality. With over 30 years of this kind of history, it is no surprise that the brand is recognized by so many.

Offered today in 6 distinctive textures, our aggregate pool finishes allow you to achieve a wide range of water colors. For the perfect finishing touch, consider adding a stunning waterline, featuring Lightstreams® handcrafted glass tile – or choose an artisan, PebbleTec Fire & Water element. With PebbleTec products, you can create the outdoor space of your dreams.

Find your perfect pool finish in 3 easy

Pools are often the central jewel of an outdoor space, each one uniquely beautiful. But when it comes to choosing a finish texture, water color and extra features for a pool, we know that everyone has their own ideals in mind. That's why we offer a wide variety of choices.

1. Choose your ideal finish texture.

All of our pool finishes are comfortable to the touch and easy on feet and hands. However, if you prefer a natural look with refined texture, try our most popular finish, PebbleSheen®. For maximum comfort, consider our smooth PebbleFina® or PebbleBreeze® finishes.

steps:

2. Select your favorite water color.

Once you've chosen a finish texture, find the perfect water color for your pool. Options range from icy blues to deep blues, greens, teals, grays, and more.

3. Add dramatic features to create the backyard of your dreams.

Complement your pool finish with luxurious Lightstreams handcrafted glass tile for your waterline. Complete the look with our artisan Fire & Water features.

Our ORIGINAL aggregate pool finish delivers enduring elegance and durability. It is a perfect choice for those desiring a more natural look for their pool or spa.

- This earthy textured finish is comprised of the largest pebbles in our product line.
- Further enhance your finish by adding Shimmering Sea  and Luminous .

Lightstreams®

Handcrafted Glass Tile

Specifically designed for pools, Lightstreams hand-crafted glass tile is fast becoming the first choice of top designers and builders all over the world. It is the perfect complement for your premium PebbleTec pool finish.

■ Distinctive Artisan Look

Each jewel-toned tile is created to be one-of-a-kind, delivering clarity and visual complexity. (Reversible tiles provide unique color options with shimmering iridescence on one side and smooth, saturated solid colors on the other.)

■ Unmatched Durability

Lightstreams tile is made to last, with permanent internal coloring and texturing. Each tile is crafted to resist breaking and twice-fired for maximum durability.

■ American Made

Lightstreams tile is made exclusively in the USA with the highest standards of American craftsmanship. This includes providing silky smooth tile edges to ensure safe and comfortable contact with bare skin.

■ Fast and Reliable Delivery

Orders for 2" x 2" tile (up to 150 square feet) in the colors shown here will be shipped within 14 business days. (For other colors/sizes not shown and for Jewel Inlays, lead times will be provided when the order is received.)

Place orders at orders.pebbletec.com or through your pool builder.
